Texas Children's Hospital provides **1.0 contact hour** for successful completion of this educational activity.

REQUIREMENTS FOR SUCCESSFUL COMPLETION

To receive 1.0 contact hour for this continuing education activity, the participant must:

- Attend the entire activity.
- Sign the attendance record.
- Complete an online participant evaluation.

Liz Franklin is a clinical psychologist specializing in the adolescent population. In January 2018, Texas Children's Hospital hired Franklin within the Adolescent Medicine Division of Texas Children's Hospital to begin practicing at The Woodlands location. She completed her Masters at Columbia University and her Ph.D. at Duke University. Franklin completed her residency at Harvard Medical School/Boston Children's Hospital specializing in pediatric psychology and her fellowship at Children's Medical Center in Dallas, Texas. She has spent the last two years working in their Endocrinology and Bariatric Surgery Departments.

Her research and clinical interests include prevention and treatment of adolescent health risk behaviors. Dr. Franklin is excited to begin working at TCH - The Woodlands addressing the community's adolescent mental health needs.
